FRUITY FUN

The new OrangeX juicer, \$199.95, from Amco makes drinking freshly squeezed juice quick and easy with its sleek, cast-iron design. Simply cut the fruit you'd like in your juice, put it in the press, push down on the handle and presto, freshly squeezed juice! Available from selected retailers.

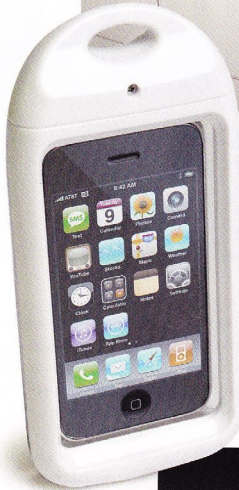

WHAT A GAS

The new Gas on Glass cooktop range from Blanco combines European-inspired design with the benefits of cooking with glass for the modern kitchen. Featuring smart touch controls and an easy-to-clean surface, the four models – ranging from a 60cm to a 90cm – also come with a wok burner. From \$1299, available nationally through leading retailers.

iPARTY

If you hate being parted from your prized iPhone, never fear because iDry is here! The innovative case lets you take photos or videos underwater on your phone without it getting damaged. It even comes with a practical wrist strap so you can take calls while doing laps around the pool.

\$11.95, exclusively available from online retailer www.oo.com.au

BON APPETIT

Create your own pizzeria in the kitchen with this built-in Pizza Oven from ILVE. Incorporating an impressive list of operating features including Turbowave Quickstart preheating, bread and pastry cooking functions and control panel cooling fan, it can cook a pizza to perfection in less than three minutes, \$3899.
